

The Boston Korean School was founded with the purpose of providing Korean-American students with the opportunity to learn the Korean language and culture.

Through the comprehensive curriculum, students will enhance their knowledge in Korean history, culture and language with a solid sense of self-identity as Korean-Americans. To serve this purpose, the school offers a variety of extracurricular activities aligned with language education.

Classes are held every Saturday at the Korean Church of Boston in Brookline, MA. Students are grouped into different classes by age and prior knowledge of Korea. Our fall semester will start on Sep. 11th 2004. Classes start at 9:30am and end at 12:25pm. Optional afternoon classes are offered from 12:40pm to 1:40pm. These afternoon classes include Taekwondo, Korean Arts & Crafts, and Korean Dance.
